ODE TO FRENCH FRIES

ODE TO FRENCH FRIES

By: ZARINA ST

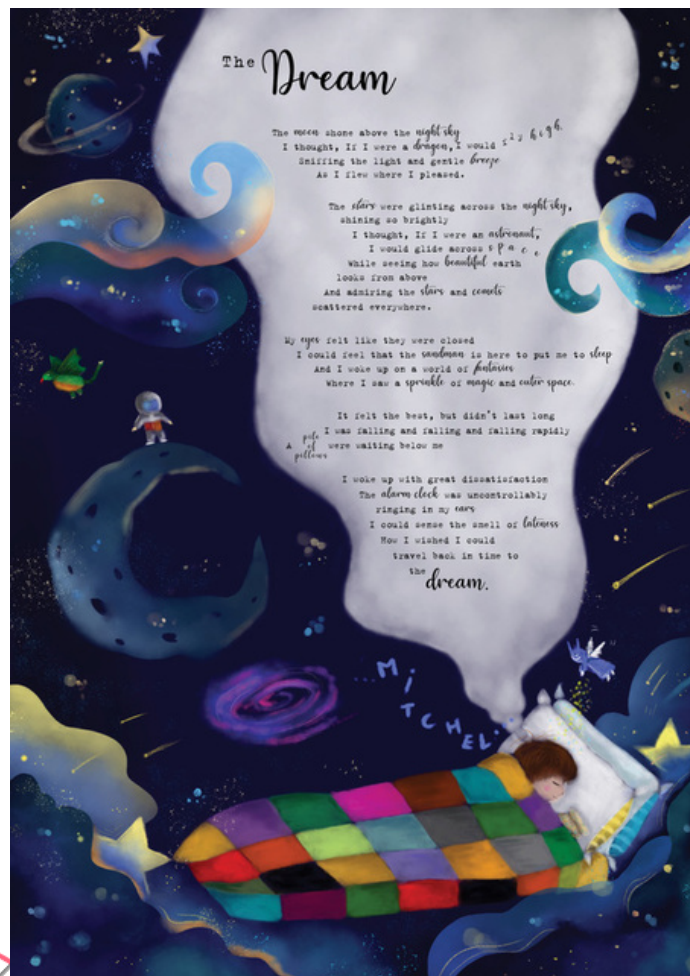

Oh, my heavenly French fries.
My mouth waters whenever I see you!
I wish I could dip you in cheese fondue.
When I eat you, my excitement starts to rise!

Your soft Potato filling,
And indescribable crunchy ends,
I would never share you, even with my friends
You are definitely a treat that is fulfilling!

You are a snack I eat on the weekend
Without you, my life would be incomplete
If it wasn't clear, you're something I love to eat!
You are my treasured French Fry Friend!
